

A PEOPLE'S FOOD POLICY

Transforming our food system

The Document

- A grassroots process created as a tool and set of policy ideas for the UK food sovereignty movement
- Articulates the meaning and practice of food sovereignty in a UK context.
- Provides concrete recommendations for policy based on the principles of food sovereignty, agroecology and the right to food.
- Creates a framework and reference points for action

Based on Six Principles of Food Sovereignty

Food For People

Value Food Producers

Localise Food Systems

Democratic Control

Build Knowledge and Skills

Work with Nature

POLICY PRIORITIES AND IMPLEMENTATION

The Process

A PEOPLE'S FOOD POLICY

Transforming our food system
