Reinventing the Wheel: How real cheese connects farming and flavour

Bronwen Percival
Oxford Real Farming Conference
5 January 2018
Cheesemaking as process
Cheesemaking as farming
Cheese allows us to taste a farming system
Artisan model, industrial methods

Is the milk interesting?
Is the farming admirable?  
Who knows?
The challenge of clothing the Emperor:

What are the unique sensory properties that can only be achieved through good farming?
The Cheese Biodiversity Chain
