# The FarmED Mission

To accelerate the transition towards **regenerative farming** and **sustainable food systems** by providing **space** and opportunity for inspirational **education**, innovative **research**, practitioner led **knowledge exchange events** and **personal development**.

## ORFC in the Field 2020 @ FarmED

Feeling inspired by the sessions at the Oxford Real Farming Conference? Do you want to continue the discussion in a small group setting and share deeper knowledge in the field?

You can choose from an exciting range of workshop sessions e.g:

- Building soil health with herb rich leys, sainfoin and cover crops
- Monitoring soil health – tools and apps & measuring your carbon footprint
- Heritage grains – growing, harvesting and utilising
- Creating and running a CSA venture
- Invertebrate, plant and farmland bird ID
- Agroforestry design
- Introduction to bee keeping
- Field visits to local organic and Pasture for Life farms

**Tuesday 7<sup>th</sup> and Wednesday 8<sup>th</sup> July 2020**
