

ORFC 2022 Online Exhibition Information Sheet

ORFC 2022 offers exhibitors a unique and cost-effective platform to connect with more than 2,000 members of the real farming community across the UK, without the overhead (or environmental impact) of travel.

Your virtual exhibit space can be fully customised by you with photos, videos, live streaming, links to content, and discounts for attendees.

Benefits include:

- Customisable online booth
- Live video chat and 1-1 messaging with attendees
- Ability to directly upload photos, videos, and brochures
- Live streaming directly through the conference platform

Online exhibition package: £300*

**50% discount (£150) for in-person exhibitors.*

Online exhibition package includes:

- Two complimentary online tickets to ORFC 2022
- Company logo and website linked from the conference website
- Company logo and website included in conference newsletters promoting the exhibit hall
- Ability to interact with delegates through the virtual conference platform through March 2022

Key Dates

Deadline to apply: 13 December 2022

Online conference: 6th - 7th January 2022
