Policy is where 'food markets' give way to 'food justice.'

Market-based	→	Human rights-based
Freedom TO choose	→	Freedom FROM harm
Niche consumer markets	→	Systems change
Food institutionalism	→	Food democracy
Politics of consumption	→	Politics of food justice

Where Midterms Mattered Most

What an Abortion

Supreme Court and Roe v. Wade

On June 24, 2022, the Supreme Court overturned Roe v. Wade, eliminating the constitutional right to an abortion after almost 50 years. This will lead to all but total bans on the procedure in about half of the states.

How David beats Goliath

*"**Strategy** is how actors translate their resources into power..."*

Marshall Ganz

1. Motivation

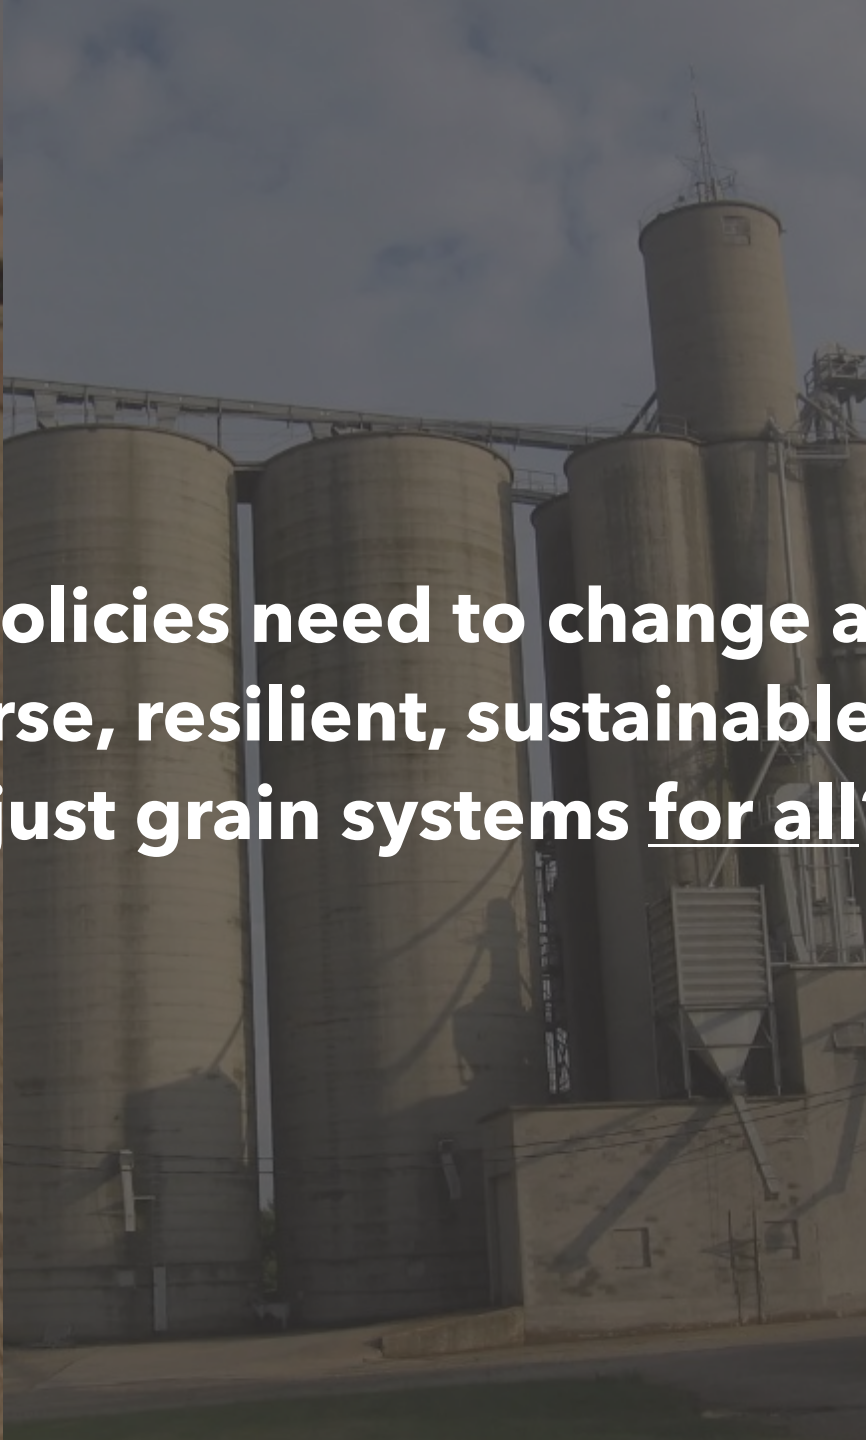

"David knew why he had to do it before he knew how he would do it."

2. Knowledge

"David did not know how to use King Saul's weapons, but he did know how to use stones."

3. Vision

"David saw resources others did not see and opportunities they did not grasp."

**What policies need to change and how
to deliver diverse, resilient, sustainable, nutritious and
just grain systems for all?**

Policy intersects with diverse grain systems at many different points.
